Patriot Challenge Board Game

Note to Collectors: Have some Fun with your kids (or grandkids)! Play Patriot Challenge!

This is an entertaining and informative board game that uses stamps to illustrate and educate players on the significant events and people that shaped American history. Developed by classroom educators, the object of the game is to advance around the game board by answering questions correctly. Questions from the game are based on nationwide curriculum standards and reinforces important, rather than trivial information. The game engages players in lively discussions, demonstrations, and group interactions. There are more than 300 U.S. stamps reproduced on the game board and question cards. The Patriot Challenge Game features a fully illustrated game board, 650 colorful question cards, and 6 playing pieces, magnifying glass, answer key and instructions. For players ages 10 and older.
