

# Showgard Mounts

Made of oriented polystyrene, containing no agents that might be harmful to postage stamps. Special foil will not shrink or discolor, is 100% waterproof and is proven safe for stamps. Showgard's functional design keeps stamp securely in position while permitting free passage of air around the stamp.

Showgard mounts are America's favorite stamp protection.

Available with Black or all Clear Backs. For all Clear Backs add "C" to product codes. (Example: Size 20mm, black back SG-20, clear back SG-20C). Showgard Mounts are pre-gummed on the entire back. Moisten top half lightly and affix on page.

Turn stamp over in direction of arrow      Place stamp into the free half as far as it will go      Allow mount to flap back into place

# Hawid Mounts

Hawid strips and mounts consist of two sheets or oriented polystyrene foil welded together along one edge. The foil contains no agent that might prove harmful to stamps, will not shrink or discolor and is 100% waterproof. Pre-gummed on the entire back. Moisten the bottom half lightly. Available with Black or Clear Backs. For all Clear Backs add "C" to product code.
